THE 2008 CRISIS AND THE GREAT RECESSION
Finance takes profits, society takes losses

AT THE SOURCE OF THE STATUS QUO: FINANCE MAKES THE RULES
30 years of deregulation and financialisation have put the financial industry in the driving seat

STATUS QUO LIFECYCLE

'NEVER AGAIN' POLITICAL REACTION
An exceptional opportunity to re-regulate

5 YEARS AFTER: FUNDAMENTAL PROBLEMS REMAIN
Society is not immune from another major financial crisis

WE NEED A NEW APPROACH THAT WILL MAKE CHANGE POSSIBLE

Had enough of the status quo? CHANGE FINANCE!
We saved the financial system and it did not change.

IT'S TIME FOR SOCIETY TO TAKE THE DRIVING SEAT

EXPLORE THE DASHBOARD

www.citizensdashboardoffinance.org
Define
what society wants from the financial system

Measure
how well the financial system is meeting those needs

Change
the financial system to make it serve society
